Yield 12 Eyeballs

6 Med. Eggs (Hard-boiled, cooled, and peeled)
6 oz Whipped Cream Cheese
12 Pimento Stuffed Green Olives
Red Food Coloring or ketchup

Cut eggs in half (width-wise), filling with cream cheese. Make them as smooth as possible. Press an olive into each "eyeball", pimento up, for an eerie green iris and red pupil. Using a Toothpick draw broken blood vessels in the cream cheese and then carefully place a single drop of food coloring onto the eyeball. It will "vein" out along your "Blood Vessels"

Serve on a bed of lettuce.
