This may be more appropriate for us in the south, (I'm not sure if there are any black eyed peas in new england)....anyway, you can just wear any comfortable pants with a nice warm sweatshirt or any other top that you like. Take a little black grease paint make-up from the dime store and rub on a big black circle completely around one of your eyes. Then with good size block of fabric or even paper, cut out the letter "P" and sew or pin onto the front of your shirt. Then there you are.... a black eyed P! :-)
