You'll need: 12-gallon plastic tub, 3 yards of wide pink or blue ribbon, rubber duck, hand towel, hot glue gun, 9-inch white balloons, safety pins, pink (or blue for boys) sweatshirt, socks, leggings, shower cap, Blush make-up

How To do it::

Cut the bottom out of the tub & carefully remove the handles. Thread ribbon through the holes to make suspenders, adjusting them so they fit your child and then knot the ends together under the rim. Use Hot glue to attach a rubber ducky & hand towel to the edge of the tub. You can add other small bath toys if you like. Blow up several white balloons and tie them off. Using an old sweat-shirt, hotglue the tied-neck of the balloon to the shirt, or use safety pins (work from the inside!) You'll probably pop a few before you get the hang of it. Cover the shirt in "Bubbles"

Have your child put on the pink/blue leggings, pink/blue socks (over her/his shoes), bubbly shirt, bathtub, and shower cap. Pin or Glue extra bubbles to the tub, shower cap, leggings, & socks. Use blush on his/her cheeks for "rosiness".
